**NOTICE OF MODIFICATION OF CABLE SERVICE AREA**

1. Pursuant to Section 401(g) of the Cable and Video Competition Law of 2007, as amended (the “Law”) (220 ILCS 5/21-401(g)), Mediacom Southeast LLC (“Mediacom” or “Applicant”) hereby notifies the Illinois Commerce Commission (the “Commission”) of a modification of the cable service area footprint described in Mediacom’s Application for State-Issued Authorization to Provide Cable Service (“Application”) in the above-captioned docket that was granted on June 3, 2015.

2. In the Application, Mediacom described the service area footprint as the Village of Alto Pass. (Application p.1). With this Notice, Mediacom is modifying that service area footprint to include **Mound City** (the “Modified Service Area Footprint”). Attached as Exhibit 1 is a list of the local units of government that comprise the Modified Service Area Footprint, accounting for all modifications subsequent to June 3, 2015, including Mound City.

3. Concurrent with the filing of this Notice, Mediacom has served Mound City with a copy of this Notice and the Application.

4. Mediacom is an “incumbent cable operator,” within the meaning of Section 21-201(m) of the Law (220 ILCS 5/21-201(m)) with respect to Mound City, as it provides cable or video services under a franchise agreement with Mound City that expires on December 1, 2017,

and is eligible to seek this state-issued authority pursuant to Section 301(c) of the Law (220 ILCS 5/21-301(c)).

5. Pursuant to Section 301(c) of the Law, on April 4, 2016, Mediacom provided written notice to the affected local franchising authority, Mound City, and subsequently to the Illinois Commerce Commission, of Mediacom's election to terminate its existing franchise agreement with Mound City and obtain a State-issued authorization. At least 180 days have passed since Mediacom provided this notice to the local franchising authority.

6. As shown below and in the attached Affidavit, Applicant satisfies the requirements of Section 401(b)(4) of the Law (220 ILCS 5/21-401(b)(4)) and, therefore, is eligible to obtain a State-issued authorization for the Modified Service Area Footprint.

7. Mediacom will continue to offer cable service in Mound City, which is the area covered by the franchise agreement noted in ¶ 4 above, "at the same levels required by the local franchising authorities for the local unit of government on June 30, 2007." (220 ILCS 5/21-401(b)(4)). Mediacom is the long-standing incumbent cable operator serving Mound City and consistent with its franchise obligations, its cable system/network is fully constructed. On June 30, 2007, Mediacom's franchise with Mound City required Mediacom to provide cable service to all residences where there are at least 10 residences within 1320 cable-bearing strand feet (one-quarter cable mile) from the portion of the Grantee's trunk or distribution cable.

8. Biographical information for key personnel responsible for managing Mediacom's local cable service operations and network in Mound City is attached as Exhibit 2.

9. The United States Census Bureau's most recent estimate of the number of low income households, as defined in Section 201(p) of the Law (220 ILCS 5/21-201(p)), located

within Mound City is 54%, with 117 low income households within Mediacom's service area in Mound City. (220 ILCS 5/21-401(b)(4)). The total number of low income households in the Modified Service Area Footprint indicated in Exhibit 1 is 10,533 or 47%.

10. With respect to the Modified Service Area Footprint, Mediacom will begin to operate pursuant to the State-Issued Authorization granted it on June 3, 2015 effective the date of this Notice.
