**TO:** The Commission

**FROM:** Claudia Sainsot, Administrative Law Judge

**DATE:** December 6, 2001

**SUBJECT:** QX Telecom LLC

Application for a Certificate of Interexchange Authority to operate as a Reseller and Facilities-based Provider of Telecommunications Services in State of Illinois.

**RECOMMENDATION:** Enter Order granting Applicant a Certificate of Service Authority pursuant to Section 13-404.

---

The Applicant, QX Telecom LLC, is a Delaware Limited Liability Company with its principal place of business in New York that is authorized to conduct business in Illinois. It seeks a Certificate of Service Authority to provide resold interexchange throughout Illinois, pursuant to Section 13-404 of the Public Utilities Act. The Applicant demonstrated that it has the necessary financial, managerial and technical resources.

Accordingly, I recommend that Applicant be granted the authority requested by its Petition.
