Illinois Central Railroad, and the State of Illinois, Department of Transportation.

Stipulated Agreement regarding improving public safety by upgrading the existing remote monitoring devices at 224 public highway-rail local road grade crossings of the Company's tracks equipped with automatic warning devices in Illinois.

TO ALL PARTIES OF RECORD:

Enclosed please find a copy of the Order entered by the Commission in the above-entitled matter on January 22, 2019 and fully executed Stipulated Agreement.

Please read this Order carefully as it may contain provisions for penalties for failure to complete the work by the ordered completion date. Requests for extensions of time must be filed with the Director of Processing and Information of the Illinois Commerce Commission at the address shown below, no later than 14 days prior to the ordered completion date.
