Citations for failure to file Annual Reports.

RECOMMENDATION: Enter the attached orders revoking the certificates.

On November 7, 2001, the Commission entered orders citing several carriers for failure to file their respective 2000 Annual Reports. None of the carriers entered an appearance at the hearing that they were directed to attend. A proposed order canceling and revoking each carrier's certificate of service authority was served on each carrier. None of the carriers submitted a Brief on Exceptions. The attached orders cancel and revoke each carrier's certificate.
