

*Am. 2nd 2d Rehearing
Clausen Cross Ex 2*

Response to Ameritech Illinois'
First Set of Data Requests on Second Rehearing
to ICC Staff
Docket No. 00-0393

ICC Person Responsible/Title: Torsten Clausen/ Policy Analyst
Telecommunications Division

Business Address: Illinois Commerce Commission
527 East Capitol Avenue
Springfield, IL 62701

1-6. At page 8, lines 170-72, Mr. Clausen states that "Staff will propose a delivery interval for features and functions in need of the AFU process in its proposed tariff language attached to its initial brief." What delivery interval is Staff proposing for features and functions that are not in need of the AFU process, or for which the AFU process has already been completed?

Answer: Staff views Ameritech's proposed delivery interval of 30 business days for features and functions that are not in need of the AFU process, or for which the AFU process has already been completed, as reasonable.
