Private Emergency Answering Point Plan

**3.1 Back-Up Emergency Call Handling Agreements**

Pursuant to 83 Ill. Adm. Code Section 727.300 and 727.510(c), Rhodia has notified the appropriate 9-1-1 system of its plans to implement an internal 9-1-1 response system, and Rhodia has also secured Call Handling Agreements with the appropriate response agencies (i.e. City of Chicago Heights Fire Department, City of Chicago Heights Police Department,) to provided for additional back-up services if necessary. A copy of these Call Handling Agreements are attached.

## BACK-UP EMERGENCY CALL HANDLING AGREEMENT

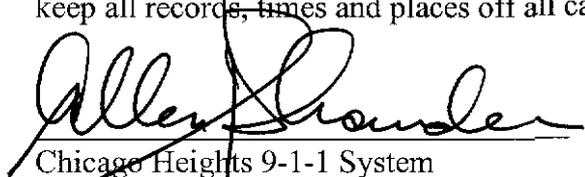

### For 9-1-1 Emergency Communications

This agreement is made between the Chicago Heights 9-1-1 System and Rhodia, Inc., for the purposes of effective handling and routing of 9-1-1 Emergency calls.

The Chicago Heights 9-1-1 System has been notified by Rhodia of its plans to implement an internal 9-1-1 response system. Therefore, in the event of an emergency, Rhodia will dispatch its own internal emergency response unit. However, if the Rhodia Emergency Coordinator deems that the emergency is of such a nature that additional back-up services are needed, Security will notify the Chicago Heights 9-1-1 System by direct dispatch via the telephone.

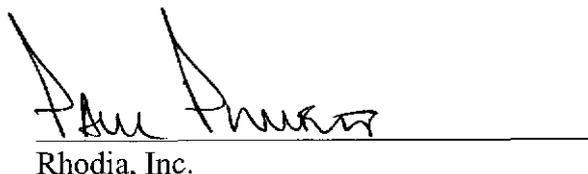

The Chicago Heights 9-1-1 System has also been notified by Rhodia of its plans to have the Chicago Heights 9-1-1 System serve as its back-up Private Emergency Answering Point (PEAP). To this end, the Rhodia emergency telephone system has been configured to automatically transfer calls to the Chicago Heights 9-1-1 System in the event that the Rhodia PEAP telephone system is busy or there is no answer.

The Chicago Heights 9-1-1 System agrees to render back-up emergency service to Rhodia, and to keep all records, times and places off all calls.
