MEMORANDUM

TO: The Commission
FROM: Claudia Sainsot, Administrative Law Judge
DATE: July 9, 2002
SUBJECT: Broadview NP Acquisition Corp. d/b/a Broadview Net Plus

Application for a certificate of authority to operate as a facilities based and resold interexchange provider of telecommunications services in the State of Illinois.

RECOMMENDATION: Enter Order granting the Applicant a Certificate of Service Authority pursuant to Section 13-404 of the Public Utilities Act.

The Applicant, Broadview NP Acquisition Corp., ("Broadview") is a Delaware corporation with its principal place of business in the state of New York. It is authorized to conduct business in Illinois. Originally, Broadview sought authority pursuant to Sections 13-403 and 13-404. At the hearing, I granted Broadview's leave to amend its Petition to reflect the fact that it only seeks authority to provide resold interexchange services pursuant to Section 13-404. Broadview has demonstrated that it has the necessary financial, managerial and technical resources.

Accordingly, I recommend that the Commission grant the authority Broadview requests.
