

COMPLAINANT YAODI HU'S DATA REQUEST # 5

Please detail the reason, the date, the sequence of events which lead to Illinois Power's change of position as to the multiple service drop to 423-432 E. Main St. Danville IL 61832. (Illinois Power insisted upon ONE service drop for about a year, only recently did Illinois Power change its position allowing multiple service drops to 428-432 E. Main St. Danville 61832)

RESPONSE:

Illinois Power requests that Mr. Hu provide more information regarding the described incidence in order to provide a response. Specifically, Illinois Power requests Mr. Hu to provide:

1. Who was told that one service drop was required?
2. By whom was the individual in question 1 told of the requirement?
3. What exactly was said during these conversations?
4. When did the discussions in questions 1 and 2 take place?
5. Who was told that multiple service drops were allowed?
6. By whom was the individual in questions 3 told of the allowance of multiple service drops?
7. What exactly was said during the conversations in questions 5 and 6?
8. When did the discussions in questions 5 and 6 take place?
