**PETITION TO INTERVENE**

Petitioner, J.U.L.I.E., INC. ("JULIE"), by its attorneys Spesia, Ayers & Ardaugh for its Petition to Intervene, states as follows:

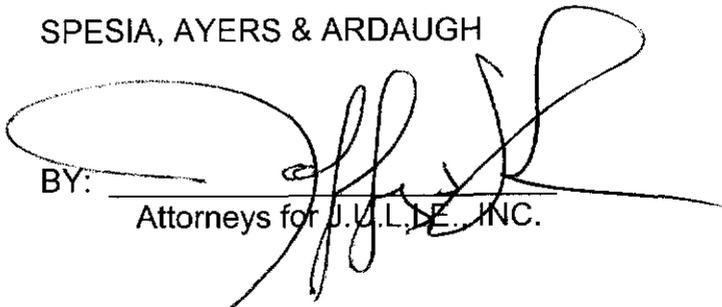

1. The Illinois Association of County Engineers ("IACE") has filed with the Illinois Commerce Commission ("ICC") a Request for Declaratory Ruling. (A copy of IACE's Request for Declaratory Ruling is incorporated herein by reference.)

2. In its pleading, IACE seeks a declaration from the ICC that counties and townships are not required to participate in the State-Wide One-Call Notice System encompassed within the Illinois Underground Utility Facilities Damage Prevention Act.

3. JULIE seeks to intervene in this matter to file a response addressing the substantive allegations raised by the IACE in its Request for Declaratory Ruling. JULIE has an interest in this matter as it facilitates the State-Wide One-Call Notice System.

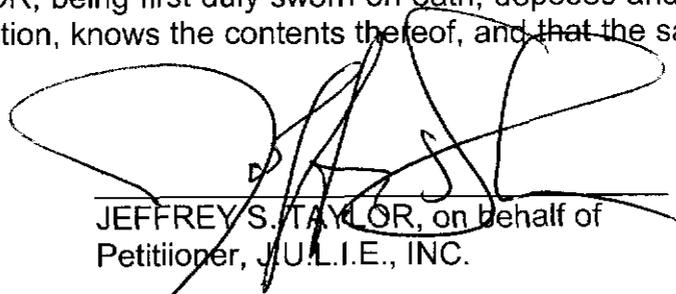

WHEREFORE, J.U.L.I.E., INC. requests that it be provided the opportunity to intervene in this matter for the reasons set forth above.
