PROPOSED ORDER

By the Commission:

I. **PRELIMINARY MATTERS**

On June 14, 2000, pursuant to 83 Illinois Administrative Code Part 763, Illinois Bell Telephone Company (“Ameritech Illinois”) and Z-Tel Communications, Inc. (“Z-Tel”), filed a joint request for approval of the Interconnection Agreement dated May 12, 2000 (the “Agreement”), under Sections 252(a)(1) and (e) of the Telecommunications Act of 1996 (47 U.S.C. 151, *et seq.*) (“the Act”). The Agreement was submitted with the request. A statement in support of the request was filed along with verifications sworn to by Willena D. Slocum, on behalf of Ameritech Illinois, and Ron A. Walters, on behalf of Z-Tel, stating that the facts contained in the request for approval are true and correct.

Pursuant to notice as required by law and the rules and regulations of the Commission, this matter came on for hearing by a duly authorized Hearing Examiner of the Commission at its offices in Chicago, Illinois, on July 18, 2000. Staff filed the Verified Statement of A. Olusanjo Omoniyi of the Commission’s Telecommunications Division which was admitted into evidence. Mr. Omoniyi recommended the approval of the Agreement. At the hearing, Staff indicated that there were no unresolved issues in this proceeding, and the record was marked “Heard and Taken.”

II. **SECTION 252 OF THE TELECOMMUNICATIONS ACT**

Section 252(a)(1) of the Act allows parties to enter into negotiated agreements regarding requests for interconnection, services or network elements. Ameritech Illinois and Z-Tel have negotiated such an Agreement and submitted it for approval in this proceeding.

Section 252(e)(1) of the Act provides, in part, that "[a]ny interconnection agreement adopted by negotiation ... shall be submitted for approval to the State Commission." This Section further provides that a State Commission to which such an agreement is submitted "shall approve or reject the agreement, with written findings as to any deficiencies." Section 252(e)(2) provides that the State Commission may only reject the negotiated agreement if it finds that "the agreement (or portion thereof) discriminates against a telecommunications carrier not a party to the agreement" or that "the implementation of such agreement or portion is not consistent with the public interest, convenience, and necessity." Section 252(e)(4) provides that the agreement shall be deemed approved if the State Commission fails to act within 90 days after submission by the parties.

Section 252(h) requires a State Commission to make a copy of each agreement approved under subsection (3) "available for public inspection and copying within 10 days after the agreement or statement is approved."

Section 252(i) requires a local exchange carrier to "make available any interconnection, service, or network element provided under an agreement approved under this section to which it is a party to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement."

III. THE AGREEMENT

The Agreement has a two (2) year initial term. Upon expiration of the initial term, the Agreement shall automatically be renewed for additional one (1) year periods ("renewal term") unless a party delivers to the other party written notice of termination of the Agreement at least one hundred twenty (120) days prior to the expiration of the initial term or a renewal term.

The Agreement establishes the financial and operational terms between Ameritech Illinois and Z-Tel for resale, access to Ameritech's operations support system functions, and a variety of other business relationships.

IV. POSITIONS OF THE PARTIES

No party contended that this Agreement is discriminatory or contrary to the public interest. Staff recommended that the Agreement be approved by the Commission, for the reasons set forth in the Verified Statement of Mr. Omoniyi. There are no contested issues in this docket.
