Public Service Commission of West Virginia
Case No. 02-0254-T-C
Verizon West Virginia Inc.
Verizon WV's Supplemental Responses to North County Communications Corporation's
First and Second Data Requests and Requests for Production of Documents
Date Prepared: August 8, 2002

REQUEST NO. 3: Is it YOUR policy to refuse to interconnect with certificated competitive local exchange carriers at retail enterprise facilities?

RESPONSE: Please see the response to Request No. 1.

SUPPLEMENTAL RESPONSE: No. Verizon WV interconnects with CLECs in accordance with the terms and conditions of the Interconnection Agreement between Verizon WV and each individual CLEC. The Verizon WV/North County Communications Interconnection Agreement for West Virginia was approved by the West Virginia Public Service Commission on February 15, 2001 in Case No. 01-0167-T-PC, and a copy of that agreement is being produced herewith.

In addition, in order to ensure full and complete compliance with the letter and spirit of the Commission's Order of July 29, 2002, further information regarding CLEC interconnection with Verizon WV may be found at the Verizon Wholesale/CLEC website, www22.verizon.com/wholesale/handbooks. Copies of pages of that website that may be relevant are attached.

DATA REQUEST NUMBERS 1 – 23

Requested of Company Representative: James R. Hargrave

Company: Verizon North Inc. and Verizon South Inc. ("Verizon")

Docket No.: 02-0147

Date Submitted: 08/02/02

Date Response: 09/16/02

INTERROGATORY NO. 5:

Describe, in detail, YOUR current policy on terminating interconnection trunks on enterprise facilities.

RESPONSE:

Objection. The term "enterprise facilities" is vague and its meaning undefined. Without waiving this objection, the following response is provided based on the interpretation of the term "retail enterprise facility" described in Verizon's answer to Interrogatory No. 2, above:

Response of Dianne McKernan: Ms. McKernan does not have a policy on terminating interconnection trunks on enterprise facilities.

Response of Charles Bartholomew: Mr. Bartholomew does not have a policy on terminating interconnection trunks on enterprise facilities.

Response of Verizon North, Inc. and Verizon South, Inc. ("Verizon"): Verizon's technology and equipment deployment decisions associated with implementing initial interconnection trunking arrangements with a CLEC are made on a case-by-case basis, with the input of each CLEC, reflecting the terms and conditions of the CLEC-Verizon Interconnection Agreement. As stated in Verizon's response to North County Communication's first set of interrogatories, Interrogatory No. 10: "Verizon interconnects with CLECs in accordance with the terms and conditions of the Interconnection Agreement between Verizon and each individual CLEC."
