

5. State whether Mr. Janssen agrees that the Fire Department provided a map to IAWC which coded fire hydrants in the City to indicate the color which should be used for painting each fire hydrant. If Mr. Janssen does not agree, explain why not and provide Documents which Mr. Janssen relies upon to support the response. If Mr. Janssen agrees, state whether Mr. Janssen believes the hydrants have been painted in accordance with the Fire Department's specifications. If not, state why not. Also, provide Documents that Mr. Janssen relies upon to support his positions.

RESPONSE:

The Fire Department provided a color coded map to IAWC indicating the color hydrants should be painted according to main size. Mr. Janssen has not personally checked the colors of each hydrant because of the amount of time this would take. Mr. Janssen also did not know that IAWC was expecting this service from me.
