Rommel,

I scheduled the meter investigation for Huntington Park Apts. for Tuesday 2/13/01 at 1PM. I left a voice message on Mr. Hughes voice mail to confirm our meeting for tomorrow. I also contacted the office at 1240 N Nantuckett (spoke with Peggy) to advise her that the appoint is set for Tuesday 2/13/01 at 1pm. I was able to research two of the three meters in question. Meter 073848503 has been listed to the account since 11/99. Meter # 995308236 was exchanged with meter 090653026 & meter #997205845 was exchanged with meter #117909047.

I spoke with FSOC to confirm the 11 meter investigations for tomorrow as well. They will schedule that today to be sure the local office is aware of the meeting.

I will keep you posted and thanks again for your intervention, I appreciate it very much.

Rommel,

They made the appointment today. They were able to identify all the meters for the complex and the ET has already faxed the info. to my attention. The ET thinks Mr. Hughes was satisfied with the investigation. Do you want me to follow-up with him in the morning or would you rather call him yourself??

HAVE A PLEASANT EVENING.

Jerry
