DOCKETED

# Quarterly Project Report

(Ending 9/30/03)

**Project Title:** Canal Street Viaduct Reconstruction over the Burlington Northern and Sante Fe Railway tracks.

**Commission Order No.:** T02-0111

**Order Date:** April 9, 2003

**Order's Project Completion Date :** April 9, 2004

**Type of Improvement:** Complete reconstruction of an existing highway bridge over the BNSF Railway tracks.

**Project Manager:** Kwong Y. Chan  
Assistant Project Director  
Chicago Department of Transportation  
Bureau of Bridges and Transit  
30 N. LaSalle Street, Room 500  
Chicago, Illinois 60602  
Tel.: 312-744-8065  
Fax: 312-744-4758

**Percentage Complete:** 0%. All necessary documents(final plans, specifications, estimates, and railroad agreement) were sent to Illinois Department of Transportation on July 15, 2003 for authorization for construction. No authorization has been received by the City yet. Construction is estimated to start in January, 2004.
