

Help Comes from Good Samaritan Fund

To help low-income individuals and families get their energy services reconnected, Illinois created the Good Samaritan Energy Fund. It covers natural gas, electric or sometimes both services.

Donations to this fund are used to alleviate utility bill arrearages for households that qualify for the federal Low Income Home Energy Assistance Program (LIHEAP). Ninety percent of all fund contributions go directly to low-income residents of the county from which funds were donated and are tax-deductible.

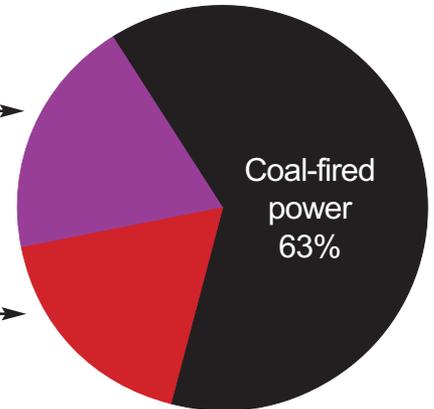

To participate, send contributions to:

Illinois Department of Healthcare and Family Services, Office of Energy Assistance
 Attn: Good Samaritan Fund
 P.O. Box 19154
 Springfield, IL 62794-9154.
