PROFILE

Ameren Energy Marketing (AEM) is the power marketer for Ameren Energy Resources (AER) which represents more than 6,000 MW of diverse merchant generation assets to the greater Midwest. AEM is headquartered in St. Louis, MO with office locations throughout Illinois.

AEM serves the power needs of numerous retail customers in Illinois, along with utilities, municipals, cooperative, energy aggregators and trading houses in the greater Midwest. Leveraging our in-depth knowledge of the energy markets and through our rich pool of resources — physical, financial, technological and human — AEM's expertise brings value to customers enabling our customers to compete in today's rapidly changing environment.

Sources of electricity supplied for the 12 months ending March 31, 2007

Sources of electricity supplied for the 12 months ending March 31, 2007

Percentage of total
