PROFILE

Ameren Energy Marketing (AEM) is the power marketer for Ameren Energy Resources—Ameren's non-rate regulated subsidiary principally focused on generating electricity. AEM is one of the largest energy marketers in the U.S. with a portfolio of more than 6,000 megawatts of competitive generation. As part of the Ameren Corporation, a Fortune 500 company, AEM is headquartered in St. Louis, Mo., with additional office locations throughout Illinois.

AEM serves the power needs of utilities, municipalities, electric cooperatives, energy aggregators, business customers and financial institutions. Our experienced professionals' knowledge of the energy markets and our resources—physical, financial, technological and human—brings value to customers by providing a variety of energy products. Managing exposure to commodity price volatility allows AEM's customers to compete in today's rapidly changing environment.
