Re: ConocoPhillips Company's Disclosure Statement Provided to the Commission – 83 Ill. Adm. Code 421.30

Pursuant to 220 ILCS 5/16 – 127 and Illinois Administrative Code Title 83 Part 421, Section 421.30, ConocoPhillips Company respectfully submits its Environmental Disclosure Statement (“Disclosure”) for the twelve-month period ending December 31, 2014. In addition to the Disclosure in paper and electronic form, please find enclosed Terri Clynes’ notarized verification of the Environmental Disclosure Statements.

ConocoPhillips Company has disclosed 100% unknown resources purchased from other companies. All energy is supplied by the Midwest Independent System Operator (MISO). The ultimate sources of generation are a result of the generators dispatched by MISO to serve the Load. It is not possible to know how much energy from each generator was specifically used to meet ConocoPhillips Company’s particular load.

If you have questions regarding this submission, please contact me at (281) 293-1321 or via email at Marty.L.McCraw@ConocoPhillips.com.
