RE: Code Part 280.15 Implementation Plan

Attached to this letter, you will find Consumers Gas Companies Code Part 280.15 Implementation plan. There are two major changes that are needed for Consumers Gas Company to be fully compliant.

1. The current software program will need to be revised to include many aspects of the new code.
2. Consumers Gas Company currently does not have a website.

We are unable to add cost to the Implementation Plan for all items referenced by the above. Due to the large amount of information that the software and website providers are reviewing, quotes have not been received at this time.

Please contact Cindy Mitchell or Patty Irvin at 812-477-9030 or by email at cindyconsumersgasco@gmail.com with any questions or concerns that you may have concerning the Implementation Plan and its content.

Sincerely,

Cindy Mitchell
Account Manager
