COMMISSIONER O'CONNELL-DIAZ: I have a question for Judge Tapia, if she's there.

JUDGE WALLACE: Yes, just a second.

ACTING CHAIRMAN FLORES: Thank you.

JUDGE TAPIA: Yes, Commissioner.

COMMISSIONER O'CONNELL-DIAZ: Judge Tapia, was there any establishment in the record with regard to where the tree was located? Was it in the right of way or was -- do you know where it was located on the complainant's property?

JUDGE TAPIA: I believe they were -- well, the trees were located on the complainant's property, however, the trees that were protruding to the street area is what was cut. The complainant wasn't objecting to the location or that the trees were cut. He felt that they were cut too much and that he
needed the tree to be replaced.

COMMISSIONER O'CONNELL-DIAZ: Did you see photos of the trimming job?

JUDGE TAPIA: No, the complainant failed to respond to the Motion to Dismiss and also failed to appear to a status hearing. So we never got far into the case.

COMMISSIONER O'CONNELL-DIAZ: Okay. Do you believe that it was clear to the complainant that he had redress in a court of general jurisdiction with regard to his claim for compensation?

JUDGE TAPIA: Well, Ameren did offer to compensate him $200 and he wanted -- or in his initial complaint he wanted to see if he could get more.

COMMISSIONER O'CONNELL-DIAZ: Okay. I just -- you know, I think when we have these tree trimming incidents -- you know, there's obviously two sides of the story. Since we were dismissing it based on our jurisdiction to hear the complaint as filed which was appropriate and I have no problem with that. I just -- in those instances I think it's important that the
complainant understand that they could have a
cognoscible claim in a court of general jurisdiction
if the evidence supported their claim. Thank you.

JUDGE TAPIA: Yes, you're very welcome.

ACTING CHAIRMAN FLORES: Any further
discussion?

JUDGE WALLACE: Mr. Acting Chairman.

ACTING CHAIRMAN FLORES: Yes, sir.

JUDGE WALLACE: E-13 is the motion to withdraw their application, not an Order to grant. You might want to split those two up.

ACTING CHAIRMAN FLORES: I'm sorry, Judge. Can you repeat that again.

ACTING CHAIRMAN FLORES: Do we have a witness list?

COMMISSIONER O'CONNELL-DIAZ: We can develop one.

ACTING CHAIRMAN FLORES: We may develop a witness list.

COMMISSIONER O'CONNELL-DIAZ: We have a
Resolution that I'd like to present to everyone and hopefully my Commissioner colleagues will approve it as well. All the people in this room enjoy a walk down memory lane with just a great public servant.

The Resolution reads as follows:

Illinois Commerce Commission on its own motion Acknowledging and Expressing Appreciation for Judge Eve Moran's Public Service on the Occasion of her Separation of Service from the Commission.

Resolution by the Commission.

WHEREAS, in 1998 Eve Moran joined the Illinois Commerce Commission as an Administrative Law Judge in the Public Utilities Division. Judge Moran has dedicated her legal career to public service. To wit, previous to her appointment to the Commission, she served as an Assistant Public Defender for Cook County and as an Illinois Assistant Attorney General, serving in the Civil Appeal Division and honing her regulatory skills and knowledge in the Public Utilities Division; and

WHEREAS, Judge Moran's dedication to her profession is exhibited in leadership as Chair of
the National Association of Regulatory Commission's Staff Subcommittee on the Law and the National Conference of Regulatory Attorneys. In these positions she has produced innovative ethics programs that have been used nationally and internationally to educate and inform regulators and their Staff, utilities and regulatory attorneys regarding the appropriate and legal conduct as it relates to our everyday activities; and

WHEREAS, Judge Moran has presented programs on regulatory practice and process to numerous visiting foreign delegations at the Illinois Commerce Commission. She has also participated in the Energy Regulators Regional Association (ERRA) legal regulatory working groups in Istanbul, Turkey; and

WHEREAS, Judge Moran in her career at the Illinois Commerce Commission has handled cases of the most significant import. Her recommendations have always been thorough, well balanced and most importantly legally sustainable. In the course of doing so, she has earned the respect and friendship
of her colleagues at the Illinois Commerce Commission and the Illinois Public Utilities Bar, based upon her, skill diligence and good natured professional courtesy; and

WHEREAS, Judge Moran always is prepared and enthusiastic to discuss her Proposed Orders with the Commission. She revels in assisting the Commission to understand the issue presented for review, the party's positions and arguments and the legal standards and nuances inherent in her recommendation. Additionally, the Commissioners and docket participants could also get a good workout hoisting on of Judge Moran's notoriously lengthy but well reasoned Proposed Orders; and

WHEREAS, Judge Moran is twice a citizen due to her volunteerism, particularly in her leadership roles at the Chicago Bar Association as well as the Greektown Neighborhood Association; and

WHEREAS, Judge Moran is of an exceedingly generous spirit and has for years warmly welcomed Commission members to Dugan's for holiday and other festivities; and.
WHEREAS, despite all of the demands placed on Judge Moran by her career achievements and goals, her role of Mother to her beloved daughter Maggie has been an unstinting example of dedication, love and adventure; and

NOW, THEREFORE BE IT RESOLVED, that the Illinois Commerce Commission hereby acknowledge Judge Eve Moran's years of public service during her employment with the Illinois Commerce Commission and expresses its deep appreciation for her public service and dedication on the occasion of her retirement from the State of Illinois.

Thank you, Eve, and I look for support from my fellow Commissioner. And if you don't support me, I will smack you down.

ACTING CHAIRMAN FLORES: Well, we still need that witness list.

I'm going to now ask Commissioner Ford.

COMMISSIONER FORD: Thank you, Acting Chairman. It certainly has been an honor to work with you, Eve. I remember coming to this Commission
in 2003 and your 800-page document with SBC -- I've changed glasses three times since then and that was -- and I actually pondered my decision for coming to the Illinois Commerce Commission after reading your 800-page document. But it has certainly been an honor and a privilege for me to work with someone of your caliber and I certainly enjoyed you on a professional and personal level. May God continue to bless you.

JUDGE MORAN: Thank you.

ACTING CHAIRMAN FLORES: Commissioner Elliot.

COMMISSIONER ELLIOTT: Well, same here. I've worked with you for a number of years and I hope that you will continue in some capacity in the regulatory world. And we'll continue to see the sock puppets at NARUC. That's always been a highlight for me. Your means to portray the ethics to practitioners has always been entertaining and your Orders have always been thorough. Its been a pleasure working with you and all the best.

JUDGE MORAN: Thank you.

ACTING CHAIRMAN FLORES: Acting Acting
Commissioner Colgan.

ACTING COMMISSIONER COLGAN: Well, I haven't known you long, but I've been through a few of your documents in the time that I have been here. And I've enjoyed your professional expertise, taking advantage of that and I wish you all the success in the world in your professional career. And on a personal note I say namaste.

JUDGE MORAN: Thank you.

ACTING CHAIRMAN FLORES: Judge Wallace -- you didn't think you were going to get away without having to say a few words, did you.

JUDGE WALLACE: I certainly thought I might.

ACTING CHAIRMAN FLORES: You're on my witness list. You can proceed Judge Wallace.

JUDGE WALLACE: We're certainly going to miss you. We regret that she's decided to go ahead and retire at this time and move on to other things. She is a very good ALJ and we will certainly miss her in the office and I'm sure the participants will miss her in the hearing rooms. I wish you the best.

JUDGE MORAN: Thank you.
JUDGE DOLAN: I too have had the pleasure of working with Eve for many years and see her knowledge and her dedication to all her Orders. As Commissioner O'Connell-Diaz indicated, many of them are very long and highlighted, but Eve always did a thorough job. She drove herself crazy on a lot of cases and as you can tell just from the people around the community that know her and respect her that she's brought a lot to this Commission over the years that she's been here and she will be missed.

ACTING CHAIRMAN FLORES: Mr. Anderson, Tim Anderson.

MR. TIM ANDERSON: Yes, Acting Chairman. Thank you.

ACTING CHAIRMAN FLORES: You're welcome.

MR. TIM ANDERSON: Eve, I just wanted to say thank you, not just for what everyone has talked about in your dedication to your job here at the Commission; but all of the extras which you've done. The work with NARUC, the work for Staff morale, the work with the visitors that we have to the
Commission, all of those things are noticed and greatly appreciated. We will all miss you. Thank you.

JUDGE MORAN: Thank you.

ACTING CHAIRMAN FLORES: Thank you, Tim.

Now I reserve the final address. I have had the opportunity to know and work with Eve now -- Judge Moran since January since coming on board and I wanted to say personally thank you, Judge for your helping hand and for bringing me along. I really appreciate your leadership and the work that you've done, not only in the Illinois Commerce Commission, but also through the work that you've done at NARUC and also the Chicago Bar Association. Through your efforts it has given us an opportunity to showcase the good work that we do here at the Illinois Commerce Commission and that you are a representative of the entire team. So we really thank you for your leadership and your generosity and your willingness to just work with everyone and to develop a strong sense of collegiality, and really a strong sense of family.
You will be missed on some level; but we will not let you go, as you know. I have already put in dibs on making sure that I have an open line of communication directly to you, and I mean that sincerely just from a perspective of your knowledge and also your experiences. And so it's very difficult for us to say goodbye, but you're not going away forever. So we want to wish you congratulations. We want to wish you God speed.

The Resolution, thank you, Commissioner O'Connell-Diaz, and I know Staff put it together and these were just heartfelt, warm words that we feel about Eve. So there is a motion pending. I'd like to take a roll call vote in voting for this Resolution.

Commissioner Ford.

COMMISSIONER FORD: Aye.

ACTING CHAIRMAN FLORES: Commissioner O'Connell-Diaz.

COMMISSIONER O'CONNELL-DIAZ: Aye.

ACTING CHAIRMAN FLORES: Commissioner Elliott.

COMMISSIONER ELLIOTT: Aye.
ACTING CHAIRMAN FLORES: Acting Commissioner Colgan.

ACTING COMMISSIONER COLGAN: Aye.

ACTING CHAIRMAN FLORES: And I vote aye.

I also want to make sure that this Resolution is attached as part of this record so that Judge Moran, if she so wishes, can keep a copy of this transcript with the attached Resolution as part of the record and the appendix. Again, thank you so much.

Judge, would you like to say a few words?

JUDGE MORAN: You know, it's funny. All the other times that I'm up here I've just got so much to say and today I'm still thinking, Hey, I've still got to do this and still got to do that. Thank you. It's been and honor and a privilege and a joy at times to have worked here. I've loved the work. I loved the people and I've grown immensely in my tenure at the Commission. I will miss all of you, each and every one of you. You're all different. You're all dear to me in your own special way and I
say that to everyone else here too. Thank you.

    ACTING CHAIRMAN FLORES: Thank you, Judge.
    All right. Judge Wallace, are there any other mattes to come before the Commission today?
    JUDGE WALLACE: No, there are not,
    Mr. Acting Chairman.

    ACTING CHAIRMAN FLORES: Thank you so much everyone. I hope you guys have a great day down there.

    Hearing none, this meeting stands adjourned.

    (And those were all the proceedings had.)
