Statement of Activities

On February 19, 20, & 21, 2013, Staff conducted a Record Audit at Northern Illinois Gas Company's Joliet facilities to determine compliance with applicable IL Adm. Codes and the Code of Federal Regulations adopted via IL Adm. Part 590.

The Record Audit included a review of company documents regarding the specific code sections as identified on the attached inspection form. The records that were reviewed included work order packets for new business, pressure test for industrial and commercial meter overhauls, valve maintenance, relief capacity and system charts. Staff has completed all of 2012 records that are kept in the Joliet office.
