Re: Update of Notice of Probable Violation #s 2014-V001-00013 & 2014-V001-00014 (Continuing Surveillance, Customer Notification)

Dear Mr. Burk:

The Village of Cobden acknowledges receipt of your letter dated March 19, 2014 regarding NOPVs #s 2014-V001-00013 & 2014-V001-00014 for the failure to properly document a system review for compliance with Continuing Surveillance and for failing to notify customers of their responsibilities to maintain customer owned buried piping. The Village agrees in total with the findings of both NOPVs, and we are submitting our action plans as an attachment to this letter. Please accept this letter and attached action plans as our response to the issues noted by your staff.

If you have any questions concerning this matter, please contact our Gas Superintendent Chad Eads at (618) 893-2425.

Sincerely,

Paul Tomazzoli  
 Village President
