**Statement of Activities**

On April 2-3, 2014, Staff conducted a review of the Marathon Pipeline Company (“MPC”) Operator Qualification Plan. The review was performed to determine compliance with applicable IL Adm. Codes and the Code of Federal Regulations adopted via IL Adm. Part 590. Marathon owns and operates a 4 inch coated and cathodically protected steel service line located at their Barge Loading facility at the Mississippi River near Hartford, Illinois. The pipeline supplies natural gas received from Ameren Illinois and is utilized to supply fuel gas for a flare stack utilized when filling barges with crude oil. No issues, Notices of Amendment or Notices of Probable Violation were identified during the audit.
