Re: Response to NOA Nos. 2014-A001-00073 thru 2014-A001-00076

Dear Mr. Burk:

White County Housing Authority acknowledges receipt of your letter dated July 21, 2014, regarding the referenced Notices of Amendment listed above. White County Housing Authority agrees in total with the findings of the NOA's and has every intention of making the necessary corrections. USDI made revisions to the DIMP on June 10, 2014 to correct the outstanding NOA's, and was e-mailed to Mr. Jim Watts separately.

We trust that this action satisfies the deficiencies discovered during the recent audit. If after reviewing this response you have further questions or issues, please feel free to contact me at anytime.

Sincerely,

Mrs. Nancy Jordan

Executive Director, White County Housing Authority
