Re: Extension Request NOA #2014-A001-00077 and NOA #2014-A001-00078
Inspection #2014-P-00362

Dear Mr. Webb:

Your request for extension to April 30, 2015, to align data used in the amended DIMP procedure with the annual data that will be provided in the 2014 PHMSA F 7100.1-1 (Annual Report Form) to better identify and rank current threats is granted.

Please contact me regarding any issues or concerns.

Sincerely,

A handwritten signature in black ink that reads "Darin R. Burk/mn".
