Re: Request for Extension on Submittal of the Distribution Integrity Management Plan

Dear Mr. Webb:

On September 14, 2015, you submitted a letter requesting an extension of your Distribution Integrity Management Plan ("DIMP") beyond the verbally agreed upon date of September 30, 2015. In your letter, you request an extension to January 31, 2016. Due to the various changes in staff and the new focus on DIMP at Peoples Gas, I approve the extension.

Once the new DIMP is in place, I would like to meet with Peoples Gas and receive a brief overview of the new DIMP plan. Please contact me after January 31, 2016, to discuss a mutually agreed upon date for this overview.

If you have any questions then please contact me at (217) 720-0291.

Sincerely,

A handwritten signature in black ink that reads "Matthew T. Smith/mn".
