Hi Rich thanks for the info. The side track at Pearl St has its own set of crossbucks (or at least 1 crossbuck) and the mainline crossing has its own pair of gates so I think it needs its own DOT number. Also appears to need Yield signs. It is track #509 in the track chart I have.

Hi Rich – do you have, or can you assign a DOT number for I-255 where it goes over the UP and KCS tracks near Godfrey between Bethany Lane at Mile 250.95 and Pearl St at Mile 252.10. We also need a DOT number for the side track at Pearl Street just west of the mainline crossing of 294428V. We have a temp number of 8002340 for the side track at Pearl Street and 7001510 for the I-255 overpass so I have attached info for both.

Thanks!
