Subject: RE: Crossing DT - Imboden Ct

Hi Penny

We took on several IC crossings and I am trying to locate a DOT # on Imboden Ct (not Imboden Dr with the CN) 840403G MP 746.20, 295442J MP 747.0, 295441M MP 747.12 295440F MP 747.77, 291249U MP 749.10, 291248M MP 749.65

Hwy 51 runs into Imboden Ct and our GM lists it as public but I cannot locate it on FRA database so wanted check with you and see if you have listed.

Would also need STATE HWY info to complete Part V on the bottom of the 2nd page for the crossing. I think it may be Non-federal aid (08), urban local (19), speed 5-10 mph etc

If you have this listed can you please give me DOT # or if you do not have I can assign a DOT #>

Thanks
